

S+S REGELTECHNIK

ZERTIFIKAT

IVIDI Engineering GmbH

Str. Kukusch Nr. 5 | 5300 Gabrovo | Bulgaria

Zertifizierter Partner von S+S Regeltechnik

A growing demand for intelligent sensor and control technology exists in facility management.

This certificate documents the trustful and contractually assured cooperation as qualified marketing and authorized partner of S+S Regeltechnik GmbH in Bulgaria for the year 2015/2016.

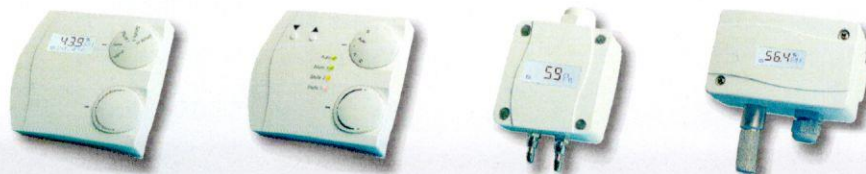

This partnership guarantees the selection, installation, integration, and maintenance of S+S products and systems as appropriate to the application.
